Our Methods

- Spray out houses. Mist Coat
- Allow carpentry to 2nd fix before going back into house to decorate
- Pre-snag house. My foreman will ensure each house is ready for builders snag.
- Complete builders snag, and clients punch list

Our Promise

- Each Concept Colours site gets a competent foreman to direct the flow of work.
 - To deal with site manager directly and ensure both the required progress and quality of work.
 - Gerard will be on site at least 3 times a week to walk site and to iron out any issues and ensure every client is a happy client.

A happy client is a repeat client and loyal client, that's what we aim for. That's what we achieve, always!! City standards at country prices..
