## Our Promise

- *Each Concept Colours site gets a competent foreman to direct the flow of work.*
  - *To deal with site manager directly and ensure both the required progress and quality of work.*
  - *Gerard will be on site at least 3 times a week to walk site and to iron out any issues and ensure every client is a happy client.*

*A happy client is a repeat client and loyal client, that's what we aim for. That's what we achieve, always!! City standards at country prices.*
