About Us

Concept Colours prides itself on being one of the emerging market leaders in residential development decorating.

Concept Colours is owned and run by Gerard Byrne who is well known for both his dedication and ability to manage many large scale jobs simultaneously and ensure that they all get done to the highest standards. Gerard likes to personally spend as much time on site as possible and divides his day between his jobs wherever possible to ensure that the name of Concept Colours always remains synonymous with high end, professional finishes at the best rates available.

Crafting vibrant spaces
